

# VICTORIA

Excel series

The Victoria is a premium two-way stand mount speaker adorned in real wood veneer. Utilizing the best European/Scandinavian-made tweeters and woofers along with European/French crossover components, the Victoria possesses all the ingredients of a state-of-the-art high-end speaker. Our signature split and angled cabinet design along with details such as EMS, gold plated wire lugs, hand soldering, oxygen free 99.99% pure copper wiring, computer-assisted cabinet cutting, hand assembly and finishing all work together to make a spectacular speaker that is of heirloom quality, sonically superior and is also a work of art.

## Details

2 way bass reflex with rear port  
180 mm mid/bass driver  
29 mm tweeter  
Frequency range 42Hz - 25KHz +/- 2dB  
X-over frequency is 2.2 KHz  
88 dB efficiency  
Impedance 8 ohm  
25 to 125 W suggested amplifier wattage

## Dimensions & Weight

Height 16 in / 40.5 cm  
Width 9 in / 23 cm  
Depth 14 in / 35.5 cm  
Weight 35 Lbs / 16 Kgs each

## EMS - Enhanced Mass system

EMS works to anchor the speaker in place so that the components can work without interference from a vibrating cabinet. Creating clarity, deeper bass and really helps the speaker "sing".
